

Breeder/Hatchery Agreement

This document outlines the terms for the consignment of _____ eggs that will be provided by:

_____ of _____
(name of breeder) (address of breeder)

The eggs consigned are promised by the above mentioned breeder to be from pure bred _____ chickens. The eggs are guaranteed to be no older than two weeks of age from lay and have been handled properly to ensure good hatchability when supplied to:

_____ of _____
(name of hatchery) (address of hatchery)

for the purposes of hatching chicks for the breeder. The breeder promises the hatchery that the eggs are from birds of good quality stock, are humanely raised, and disease free.

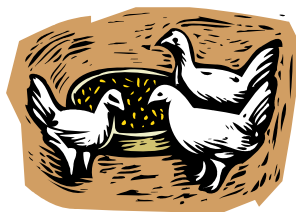

The recipient hatchery will agree to the following terms prior to the acceptance of the eggs:

Recipient Hatchery Responsibilities

The hatchery will be consigned, at no cost, the above-mentioned number of eggs to hatch for the breeder. The hatchery will be responsible for:

1. Daily care, biosecurity, and monitoring of the incubator and the eggs.
2. Recordkeeping on the eggs, their development, mortalities, etc.
3. Timely response to inquiries made by the breeder on the progress of the eggs and notification to the breeder of hatching chicks.
4. Pedigree marking of chicks after they hatch (if necessary).

Once hatched, the hatchery is entitled to compensation from the breeder of \$_____/live chick or a maximum of 3 birds from each batch of 25 chicks to be chosen by the hatchery, by the time the chicks reach 16 weeks of age.

I have read the Breeder/Hatchery contract and understand the details of the project. I agree to abide by the terms listed above.
