

**THE LIVESTOCK CONSERVANCY™**

**Yes, I want to help save endangered breeds from extinction!**

By becoming a member of The Livestock Conservancy, you can help preserve our agricultural heritage as well as provide a significant source of funding for the genetic conservation of rare breeds of livestock and poultry.

Many Livestock Conservancy members also raise rare breeds. Individual breeders make up an active network of people who participate in hands-on conservation, marketing, and public education.

**A \$45 basic membership provides the following benefits:**

- Quarterly print newsletter
- The Livestock Conservancy *e-News*
- *Breeders and Products Directory*
- Free online classifieds postings
- Access to technical and research staff
- Discounts on conference registrations and publications
- Use of the member logo
